On the 26th day of October, two thousand and twenty-one, at 10h30m, the Jury nominated for the call with reference CCMAR/BINGGAM/08/2021, gathered through the Zoom platform, for the allocation of a Research Fellowship for a person with a Master Degree (Bolsa de Investigação não conducente à obtenção de grau académico para mestre), in the field of Biological Sciences within the research project: MACAU/0001/2019, named as "Methods, effects and risk analysis of microplastics in fish production", funded by *Fundação para a Ciência e Tecnologia, I.P./MCTES (FCT)*. The jury, composed by Professor Deborah Power, Full Professor at Algarve University and group leader at CCMAR (president of the jury), Dr. Rute Félix, auxiliary researcher at UALG and CCMAR (member) and Professor Adelino Canário, Full Professor at UALG, President of the board of Directors of CCMAR and group leader at CCMAR (member) and had the following points of agenda: **cancellation of the call.**

II – Cancellation of the call

After due consideration of the prevailing circumstances and fresh weighting of the grounds in which this call is based in, the Jury decided to cancel this procedure.

The priority lines of fellowships and projects of this center have been undergoing constant changes, including scientific staff availability, due to the pandemic mid-term constraints. Therefore, the jury realized that this call should come to an end.

With no other item on the agenda, the meeting of which these minutes were drawn up was closed, with 1 page which after being read and approved were signed by the members of the jury.
