**Within the project –541666287**

**HealthyBi4Namibe**

**Ref. nº: CCMAR/BINCGAM/28/2022**

The Centre for Marine Sciences (CCMAR) opens one (01) Research Fellowship (BI) for a person with a Master Degree (Bolsa de Investigação não conducente à obtenção de grau académico para mestre), of any nationality, including stateless candidates, and holders of political refugee statute, **in the scientific field of Biological Sciences** within the research project: HealthyBi4Namibe - Development of technological tools to improve and reduce health risks for bivalve consumption in Angola funded by Aga Khan, Network for Development and the Portuguese Foundation for Science and Technology, I.P. under the following conditions:

Host and Contracting Institution: CCMAR

This fellowship is intended for master's degree holders that are enrolled in a non-academic degree course, integrated in the educational project of a higher education institution, and developed in association or cooperation with one or more R&D units at the starting date of the fellowship.

Work Plan, Tasks to perform and objectives:

The **HealthyBi4Namibe** project aims to study and characterize the impact of environmental threats (pathogens, toxic blooms, and environmental pollutants) on marine bivalves to develop and implement technologies to assess and ameliorate their quality and safety risk for human consumption in Namibe (Angola).

Specifically, the fellowship holder will be involved in the following tasks and objectives:

1. Participation in sampling campaigns for collection of environmental samples and bivalves in Faro and Namibe;
2. Development of molecular techniques for pathogen detection and gene expression analysis;
3. Development of microbiological and biochemical techniques to isolate and characterize marine pathogenic bacteria;
4. Sample handling for molecular biology and chemical analysis;
5. Planning and experimental design in the context of the project objectives;
6. Activities of technology/knowledge transfer and outreach and scientific paper writing in the context of the project objectives;
7. Contribute to the general maintenance of the host laboratory

Scientific Supervisors:

Doctor João Cardoso, researcher at CCMAR and coordinator of the project and Professor Deborah Power, Full Professor at Algarve University and group leader at CCMAR.

Work place:

The workplace is CCMAR (Gambelas Campus of the Algarve University, Faro, Portugal).

**Requirements for the application:**

Applicants must meet all the conditions stated below:

- 1) Master's degree in Biotechnology, Molecular Biology, Microbiology, Biology or related fields.
- 2) Good knowledge of written and spoken English.
- 3) Availability to travel to, and work for short periods (up to 2 months) in Angola
- 4) This fellowship will only be granted to those who do not exceed, with the conclusion of the present fellowship contract, an accumulated period of two years in this type of fellowship, consecutive or otherwise, and the required information should be explicit in the candidate's CV.

Non-compliance justifies exclusion from the procedure.

**It is considered as an advantage:**

Preference will be given to applicants with previous experience in a scientific research laboratory and with demonstrated expertise in the following activities: molecular biology techniques (RNA extraction, cDNA synthesis, PCR, qPCR); microbiology/biochemical methods applied to marine bacteria and environmental samples.

In the event of a tie between candidates during the selection process, this argument may be used to select the candidates.

**Evaluation criteria:**

Through the analysis of the application documents the evaluation criteria for the applications and their relative weight for ranking are as follows:

1. Master academic degree grade - 35%;
2. Proven experience in molecular biology techniques for nucleic acid analysis extraction and amplification (RT-qPCR) – 20%;
3. Proven experience in microbiology and biochemical methods for marine pathogenic bacteria - 25%;
4. Previous work experience in a scientific research laboratory - 15%;
5. Published scientific articles or scientific presentations in the field of knowledge - 5%;

The selection committee reserves the right to contact and interview candidates if additional information or clarification of any curricular aspect is necessary. Should candidates be invited to an interview, the aim will be to assess in more detail and obtain further information about activities used to rank candidates (points 1 – 5 evaluation criteria).

In the event that no applicant has the necessary profile, the selection committee reserves the right to close the call without any recruitment. In the event that the selected person does not take up the position because of failure to comply with documentary requirements or any other reason, or later during the contract if they resign, the jury reserves the right, upon convenience and opportunity, to assign the post to the next applicant in accordance with the ranking positions based on the selectable reservation list that can be used up to 6 months of the date of the present announcement.
