

## Minute 1

### CCMAR/ITD/20/2021

On the seventeen day of February two thousand and twenty two, at 15 PM, the jury nominated by the CCMAR board of Directors on 16/02/2022, met for the meeting 1 of the call Ref. CCMAR/ITD/20/2021. The meeting was held for the award of a vacancy for Data Scientist – Investigator para Administração de Dados (M/F) under an uncertain term working contract for applicants of any nationality, including stateless candidates for temporary needs and connected activities under project ALG-05-3559-FSE-000020 - Contratação de Recursos Humanos Altamente Qualificados (PME ou CoLAB) funded by European Social Fund (FSE) of the European Union, through CRESC ALGARVE 2020 do Portugal 2020. The nominated jury was composed by Professor Adelino Canário, President of the Directive Board (president), Dr. Cymon Cox, (member) and Dr Gareth Pearson (member), and had the following agenda items: the definition of the requirements, of the selection criteria and elaboration of the announcement of the present call.

#### Requirements:

Candidates must meet the following requirements:

1. The successful candidate will have completed a PhD in computer science and/or computational biology, with demonstrable skills in computer programming and web technologies, and knowledge of data management and Open Science practices, with at least 5 years' experience in similar functions, and be well-qualified, dynamic, and highly motivated to develop their career in a stimulating international and interdisciplinary environment.
2. The candidate should have an excellent curriculum and research capacity demonstrated through publication in internationally recognized journals, project leadership, service provision, invitations to speak at conferences, prizes, as well as the proven capacity to obtain funding in competitive calls.
3. A high proficiency in English (spoken and written).

Non-compliance justifies exclusion from the procedure.

#### Selection Criteria:

The assessment will be in accordance with the following weighting factors:

**Selection Criteria:** The selection will be based on the documents provided, but the selection committee reserves the right to contact and interview candidates if additional information or clarification of any curricular aspect is necessary.

The assessment will be in accordance with the following weighting factors:

1. Research and/or development activities, comprising computer programming and web technologies, and knowledge of data management and Open Science practices, coordination and participation in research projects (national/or international), funding obtained, publication and communication of research results, technological development, international collaboration (60%).

2. Higher education teaching and supervision, from bachelors to doctoral students (15%).
3. Knowledge and technology transfer, including contract research, patenting and other forms of interaction with companies and public services (20%).
4. Scientific communication and dissemination (5%)

In the event that no applicant has the necessary profile, the selection committee reserves the right to close the call without any recruitment. In the event that the selected person does not take up the position because of failure to comply with documentary requirements or any other reason, or later during the contract if they resign, the jury reserves the right, upon convenience and opportunity, to assign the post to the next applicant in accordance with the ranking positions.

Finally the jury prepared the announcement of the present call.

Without any other item, the present meeting has terminated. The present minute with 2 pages and annex was read, approved and shall be signed by the members of the jury.
