

Chloé Placines

NEW ON BOARD

Tell us a bit about the work you'll be doing at CCMAR.

I'm working in the MarBiotech group in a project about CO2 sequestration by the coccolithophorid *Emiliana Huxleyi*.

What were you doing before you joined us?

Before I did my Master in Oceanography and Marine Biology at the University of Bordeaux (FRANCE).

What interests and hobbies do you enjoy when you are not doing science?

My interests and hobbies are the sport, read and eat chocolate.
